

In Celebration of Nancy Linder's Ten Years

**as Cantorial Soloist at
Temple Beth David**

Ten wonderful years with Cantorial Soloist Nancy Linder

For ten years, Nancy Linder has been singing and providing spiritual leadership as Cantorial Soloist at our synagogue. All of us marvel at the beauty and majesty of her voice. She moves us during our Shabbat services, elevates us during the High Holidays, and brings joy and meaning to our life cycles. Nancy is not only a gifted singer but can take out her guitar with little notice or play the piano. Taking great pride in music, she is demanding of herself and those who sing with her but the results are breathtaking. Her gifts are not just with voice and music but Nancy is very bright, insightful, and spiritual. Seeing connections between events around her, the cycle of our seasons, God, and teachings of Torah, Nancy is a natural mystic. Her spirituality is evident in her words and is conveyed through song. Nancy is a very caring and compassionate woman.

Seeking to help others around her, I see her visiting the sick, comforting the mourner, rejoicing with bride and groom, and always continuing to learn and grow.

Through her voice and persona, Nancy Linder brings *kedusha*, holiness, to our worship, our rites, and ritual. We are truly blessed to have such a talented Cantor and we look forward to many more decades with her.

—*Rabbi Nancy Rita Myers*

Nancy Linder's music and talent have been part of the spirit, essence and strength of Temple Beth David for the last ten years. We are lucky to have her beautiful voice and spiritual leadership, enriching us with melodic songs and sounds which resonate within us every day and throughout our lives.

Thank you Nancy for your outstanding contributions, your endless dedication and the everlasting musical gifts you continue to bestow on all of us.

We wish we could attend your concert. As an infant whenever your father played Bach you'd jump on his lap and hum along in perfect pitch. When we lived in Holland you learned all the nursery songs and thus the language followed. We're happy you are able to do what you love best and that is to sing beautiful Jewish music and prayers.

We would like to sincerely thank
Cantor Nancy Linder
for the mitzvah she performed in volunteering
her time to visit our father, Daniel Gelfer,
in the hospital awhile back and then more
recently at home during his last week of life.

We were struck by her willingness to share
her talents and time with a man she only
knew through a Temple congregant.

Nancy, your music eased our dad's passage
and brought him
great peace, comfort, and joy.

Thank you all for this wonderful Tribute. It has been such a pleasure for me to serve as your Cantorial Soloist these past years. I'm very happy coming to work at Temple Beth David. My time at temple is renewing, refreshing, inspiring and even relaxing for me. After all, I get to sing beautiful songs and mingle with people of all ages.

I love singing for services but more importantly my heart has been touched by the many opportunities given me to share at your life cycle events from baby naming, Bar/Bat Mitzvahs and weddings to being there to sing at funerals and lead Shiva Minyans.

For you to allow me into your lives at your greatest times of joy and sorrow is such an honor in itself. I am honored to share with you a prayer, a song, a melody that helps you rejoice and /or cope. If any part of what I do helps you feel closer to God and to each other then I'm grateful. If you leave Shabbat Services feeling more relaxed and peaceful than when you first came, then I'm happy. And, if you relive favorite melodies and/or enjoy learning the new ones we sing, then I am also thankful.

A wise Cantor once told me when you sing for God and develop yourself as an instrument to express God's love and healing powers you become a better musician, a better person. I really believe that is true.

So, as you honor me, let me also honor all of you by saying thank you for helping me to evolve personally, professionally, and spiritually. I am so thankful that I get to work with a devoted staff; sing with an amazing choir, group of musicians, and congregants; lead services alongside our dedicated Rabbi, and do a job I love.

***B'shalom,
Nancy Linder***
